

Department of Energy

Philippines Energy Efficiency Roadmap for Buildings 2016-2040

Joan C. Escalona
Philippines

SE4All Workshop Benefits

- **Understanding of the status of BEC in the Asean**

Members State

- **Best Practices of Japan in Energy Efficiency in Building Standards**
- **Development of Building Energy Efficiency Rating**
- **I am looking forward for more workshop and training to enhance our knowledge in the EE &C matters**

ENERGY EFFICIENCY (EE) ROADMAP

Action Plan	Particular	2016	2017	2018	2019	2020-2022	2023-2040
A. Policies and Program	Philippine Energy Standards and Labelling Programs (PESLP) issued on April 28, 2016		→				
	Development & Issuance of Cross Sectoral Minimum Energy Performance System (MEP)		→				
	Building Energy Efficiency Rating		→				
B. Inter-governmental Working Group	Passage of Enercon Bill	→					
	TWG-MEP , TWG -PESLP
