

ENERGY CONSERVATION WORKSHOP  
UNDER ASEAN-JAPAN ENERGY EFFICIENCY PARTNERSHIP (ECAP-17)  
5 – 9 November, 2018: Tokyo, Japan

Workshop Outcomes  
(Takeaways & Way Forward)

Ministry of Energy, Manpower and Industry (MEMI)  
Brunei Darussalam

Mr. Abdul Salam Haji Abdul Wahab  
Sustainable Energy Division  
Ministry of Energy & Industry

# ECAP 17 – OUTCOMES (Takeaways)

01

Clear definition of Zero Energy Building (ZEB).

02

Able to learn all efforts and initiatives by a couple of ZEB-Ready buildings in Japan during the site visits.

03

Knowledge and information sharing during the group discussion.

04

Able to create networks with colleagues from other AMSs, METI and ECCJ.

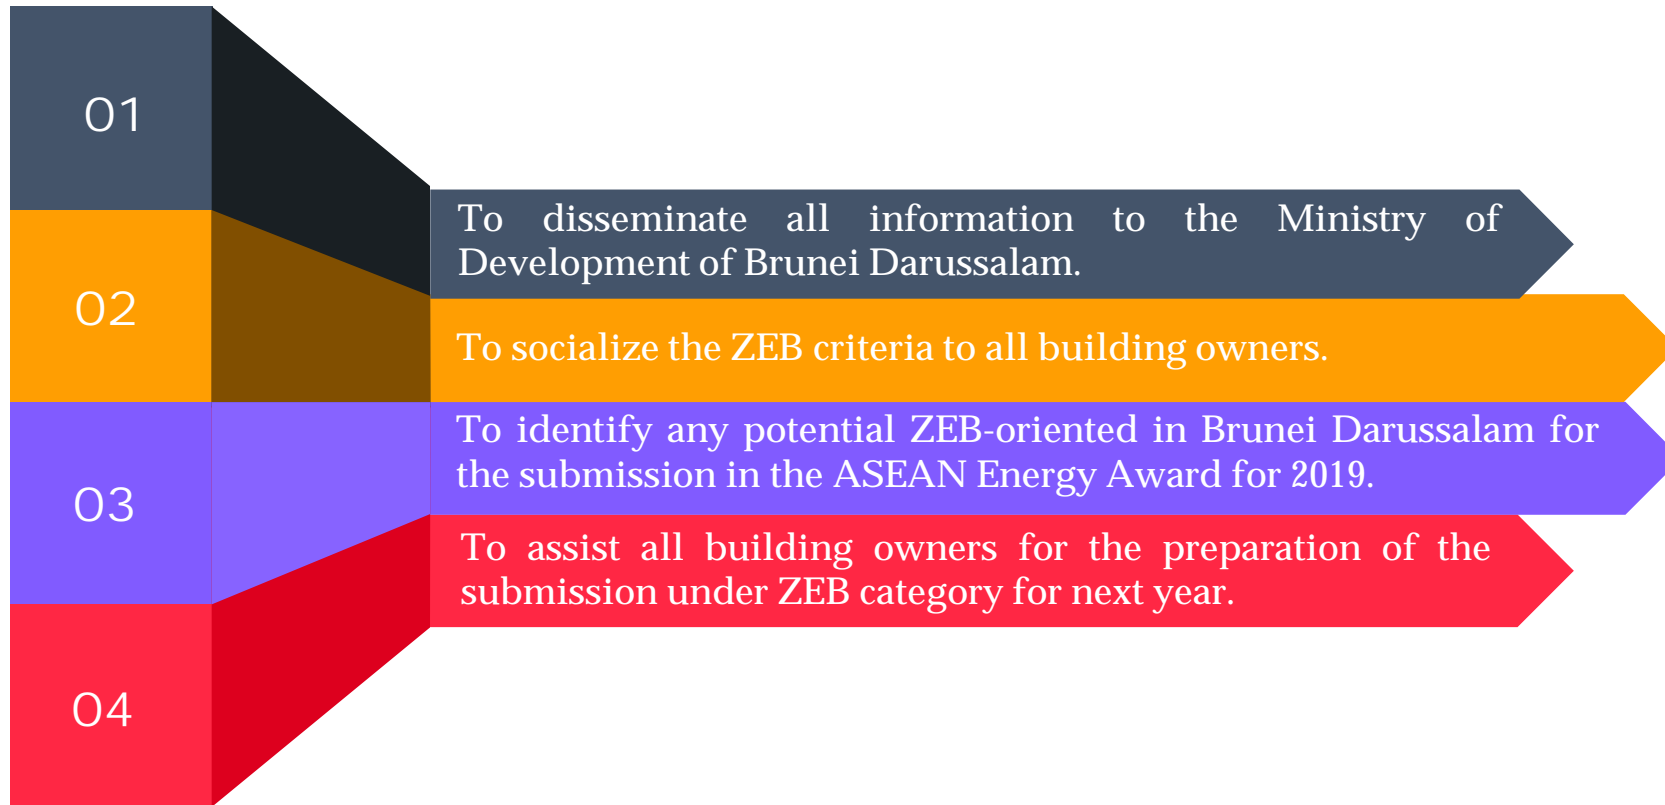

05

Able to potentially share any case study on ZEB best practices.

# ECAP 17 – OUTCOMES (Way Forward)

Thank you  
for your kind attention

Ministry of Energy, Manpower and Industry
